

Average Duration of Trial Period (month)  
(All District Court Cases)

| Year \ Classification | Total | Pleaded guilty | Pleaded not guilty |
|-----------------------|-------|----------------|--------------------|
| 2009                  | 2.9   | 2.5            | 8.1                |
| 2010                  | 2.9   | 2.5            | 8.1                |
| 2011                  | 3.0   | 2.5            | 8.6                |
| 2012                  | 3.0   | 2.5            | 8.5                |
| 2013                  | 3.1   | 2.5            | 8.4                |
| 2014                  | 3.0   | 2.5            | 8.2                |
| 2015                  | 3.0   | 2.5            | 8.4                |
| 2016                  | 3.2   | 2.6            | 8.7                |
| 2017                  | 3.2   | 2.6            | 8.9                |
| 2018                  | 3.3   | 2.7            | 9.2                |

(Notes) 1 "Pleaded guilty" refers to cases where the accused admit all charged facts and did not argued a reason to preclude establishment of the crime with regard to Article 335, paragraph (2) of the Code of Criminal Procedure.

"Pleaded not guilty" refers to cases where the accused did not admit all charged facts or argued a reason to preclude establishment of the crime with regard to Article 335, paragraph (2) of the Code of Criminal Procedure.

2 The total number of the accused includes cases where concluded before opening proceedings.
